**Organization:** IFN of Ontario

**Location:** Hybrid / Remote (Travel Required)

**Position Type:** Full-Time, Permanent

**Group Benefits/Pension**

**Hours:** 37.5 hours/week (Monday to Friday, 8:30 AM – 4:30 PM)

**Salary Range:** \$43,000 – \$49,000 annually

### Help Strengthen First Nation Leadership in Water Governance

IFN of Ontario is seeking a Water Governance Coordinator who is passionate about supporting First Nation communities in strengthening their role, voice, and capacity within Great Lakes and St. Lawrence water governance. This is more than a coordination role, it's an opportunity to work alongside communities, leadership, and partners to support meaningful participation in decisions that impact water, land, and future generations. If you are driven by relationships, purpose, and community impact, this role offers the opportunity to contribute to work that supports long-term environmental stewardship and First Nations jurisdiction.

### What You'll Be Part Of

- Supporting First Nation communities in strengthening their participation in water governance initiatives
- Coordinating engagement across communities, leadership, and external partners
- Contributing to projects focused on water stewardship, sustainability, and environmental priorities
- Supporting communication, collaboration, and representation in regional and intergovernmental discussions

### What You'll Bring

- Experience in environmental work, community engagement, program coordination, or related fields
- Understanding of First Nation governance, priorities, and community-based approaches
- Interest or experience in water stewardship, environmental initiatives, or policy work
- Strong communication, facilitation, and relationship-building skills
- Ability to support coordination, research, and project activities across multiple stakeholders
- A genuine commitment to supporting First Nation communities and priorities

### Why This Role Matters

This work supports First Nation communities in strengthening their presence and influence in decisions related to water governance across the Great Lakes region.

You will contribute to initiatives that promote sustainability, protect water systems, and ensure that First Nations voices, rights, and priorities are reflected in processes that impact their lands and communities.

### How to Apply

Interested candidates are invited to submit their resume and cover letter outlining their qualifications and experience to [dianemn@ifnc.ca](mailto:dianemn@ifnc.ca). Only those selected for an interview will be contacted.

### Competition Open until May 15, 2026 5 pm EST
